	The latter portion of para 2 of the first mentioned order would probably meet the case but for the occurrence in it of the words 'and evidence of vacancies in higher ranks' As far as I know there is no fixed scale. The insertion of the word exceptionally" between 'on' and satisfactory", and the substitution of "which should ordinarily be three years for each increment of Rs 5 ~~only~~ 10 ' and evidence of vacancies in higher ranks' Let me however first get the 2nd's opinion &

I submit that it would be just to make some distinction between the work of Headmistresses & that of Assistant mistresses I consider the pay sanctioned by G O No 1239-40 – Ed 46 d 24 July 1907 as amended by which has been amended by G O dated 2 April 1902 who quite adequate for Assistant Mistresses Headmistresses who have the control & management of the whole school deserve special consideration as on their management & popularity depends the efficiency and success of the school I would therefore amend para 2 of the above order by adding after the words "satisfactory work" the words "as headmistress" also by adding after the words "which shall ordinarily be not less than three years" as suggested by the Inst Councillor, and also by altering the last condition as follows "on existence of vacancies on higher pay" In the last condition I wants change 'and' into 'or' & 'in higher ranks' into "on higher pay" There are several teachers in the Mysore & Bangalore

schools who have been getting much more pay than they would deserve according to the scale given in the first Order under consideration, but can with the consent of the higher authority of Government approve of the above suggestions, para 2 of the Order may be revised as follows

"In ~~case of~~ mistresses with the qualifications stated in the first column, the pay shown in the second column shall be the maximum pay to which they will be entitled further promotion if any will depend on their acquiring superior qualifications or (2) on satisfactory work as Headmistresses for a reasonable period ~~of~~ which shall ordinarily not be less than three years or (3) on the existence of vacancies on higher pay"

In case No 1 the pay is fixed
" No 3 the pay is fixed
No 2 if not given credit for the increments of pay drawn in the lower scale in which case 2464 27-4-05 entry
